# San Miguel Fire Fighter's Golf Classic

The San Miguel Fire Fighter's Golf classic is an opportunity to raise important funding for charities in San Diego County and nationally.

The San Miguel Fire Fighter's Local 1434 Foundation was established to provide financial support to various charities as well as to provide assistance to residential fire victims in our district.

Fifty percent of the proceeds will be set aside for use by Local 1434's Charitable Causes Fund with the remaining fifty percent being given to this year's featured charity, Down Syndrome Association of San Diego. Their mission is to enhance the quality of life for people with Down Syndrome and their families through education, social and support programs. The Down Syndrome Association of San Diego envisions all people with Down Syndrome will be afforded the same life opportunities, to be valued and respected as contributing members of society. The DSA continues to evolve and currently serves 1000 families and professionals in San Diego County.
